PROFESSIONAL SUMMARY

Dr. Joseph R. Feste is the founder of Vital Health Integrative Medicine and a board-certified OBGYN. The current Vital Health site describes him as no longer seeing patients and serving the practice through administrative guidance, research, insight, and educational leadership.

Public professional listings describe his medical training at Baylor College of Medicine, residency training at Baylor University Medical Center, and board certification in Obstetrics and Gynecology. Published JSLS author information lists Dr. Feste as a Clinical Associate Professor in the Department of Obstetrics and Gynecology at Baylor College of Medicine and the University Health Science Center at Houston.

SELECTED BACKGROUND

Founder, Vital Health Integrative Medicine

Austin, Texas

Founded the clinical model that Vital Health continues to carry forward, with emphasis on full-picture assessment, coordinated records, and whole-person care.

Clinical Associate Professor

Department of Obstetrics and Gynecology

Listed in JSLS author information with Baylor College of Medicine and the University Health Science Center at Houston.

Practice and Hospital Development

Houston and Austin, Texas

Chamber profiles describe Dr. Feste as one of the founders of The Woman's Hospital of Texas in Houston and as a clinician with a long practice history in hormone therapy, anti-aging, and regenerative medicine.

SELECTED PUBLICATIONS AND SCHOLARLY WORK

Is the Standard of Care What We Think It Is?

JSLs, 1999

Co-authored with Craig A. Winkel, MD, MBA. The article discusses complication reporting and standard-of-care questions in gynecologic laparoscopic practice.

Endometriosis Ascites: A Case Report

JSLs, 1999

Co-authored case report on extensive endometriosis with ascites, indexed by PubMed Central.

Randomized Trial Comparing a Radially Expandable Needle System with Cutting Trocars

JSLs, 1999-2000

Contributor information lists Joseph R. Feste, Texas Women's Hospital, Houston, Texas.
